

**Interventional Radiology – Independent  
Case Log Categories and Required Minimum Numbers  
Review Committee for Radiology**

<b>Case Log Categories</b>	<b>Required Minimum Number</b>
<b>Aortic Stent Grafting</b>	TBD
<b>Arterial PTA or Stent</b>	TBD
<b>Dialysis Access Intervention</b>	TBD
<b>Embolization</b>	TBD
<b>New Outpatient Clinic Evaluation</b>	TBD
<b>Primary GI Intervention (PTBD, Cholecystostomy, Gastrostomy)</b>	TBD
<b>Primary Nephrostomy</b>	TBD
<b>Thrombolysis or Thrombectomy (Arterial or Venous)</b>	TBD
<b>TIPS or TIPS Revision</b>	TBD
<b>Tumor Ablation</b>	TBD
<b>Venous Port</b>	TBD
<b>Venous Intervention (Stent, PTA, or filter)</b>	TBD

Note: Residents should be tracking all procedures and new outpatient clinic encounters in the Case Log System. Data are currently being collected on all interventional procedures. At a future date, the collected data will be used to inform discussions and decisions around establishing required minimums.
